

The LSS Leadership Council is a tight-knit group of local business owners, professionals and community leaders who seek to advance LSS's mission. The council promotes and advocates for the programs offered within LSS that assist our neighbors who are in need of support and guidance.

Council members build high-impact and community-engaging volunteer events for LSS's various programs through strategic partnerships and planning with the development department of LSS.

## LSS Leadership Council Member Requirements:

- Attend and participate in quarterly in-person meetings
- Pledge a \$1,000 give / get per annum which can be used to support LSS events
- Pursue a volunteer or matching grant from an employer / business
- Design, lead or support a community engagement project in partnership with LSS staff
- Serve as ambassadors for LSS at fundraisers and events

LSS was founded in 1979 by a group of Lutheran churches and Jacksonville community leaders. Beginning with the Nourishment Network that has fed hundreds of thousands of food-insecure families over 40 years, LSS has expanded its services to a total of five programs: Nourishment Network, Refugee Services, HIV services, Representative Payee Services and Steps 2 Success.

Today, our five community outreach programs have changed thousands of lives, and have made record breaking achievements within the Jacksonville community.
